**If an assessment objective has been omitted at subject cohort level please briefly outline the reasons why:-**

All assessment objectives have been covered by the evidence requested.

**Outline the rationale for the choice of assessment evidence used, i.e. why the evidence above was used and how it supported the grading decision:-**

The rationale behind the choice of the assessment opportunities is to give learners the chance to provide evidence of not only content coverage but also to ensure that all Assessment Objectives (AOs) are met at least twice.
