

T-Level Recruitment Opportunity

Thomas Telford University Technical College and **Engie** are delighted to offer **one** position on the Design, Surveying and Planning for Construction T-Level, beginning in September 2022.

You can find out more about our T-Level at <http://thomastelfordutc.com/page/tlevels>

About Thomas Telford UTC

This state-of-the-art school aims to create the innovators, designers, architects and construction professionals and technical fields.

Thomas Telford UTC has been established to provide the young people of Wolverhampton and the surrounding areas a unique combination of excellence academic achievement and first-class preparation for their future.

About Engie

ENGIE is focused on improving lives through better living and working environments. Our ambition is to enable a cost-efficient zero carbon transition for local authorities. By integrating our regeneration, services and energy capabilities we help create sustainable places for everyone to live and work in. In the future, infrastructure will be decentralised, sustainable and carbon neutral. We are the leading provider of regeneration services in the UK -covering everything from community regeneration and refurbishment to repairs, maintenance and housing development. We're passionate about creating vibrant, efficient and sustainable communities, using integrated energy and services which make a real difference to peoples lives.

The Roles

You will undertake study with Thomas Telford UTC in September 2022 as a full-time student. During your 2-year course, you will undertake 350 hours of meaningful placement with Engie as a Construction Management Trainee, based at site in Wolverhampton. During your placement you will be expected to shadow, contribute and otherwise be a full member of the Engie team. Your experience will include Project management, Site Management, Health and Safety, Stakeholder Engagement, Quality Control, Estimating, Quantity Surveying and more - this is your chance to impress!

Industry Placement roles are not paid roles and you will need to be able to travel to the location of the site. Where necessary support may be available with associated travel costs.

How to Apply

You need to achieve Grade 4+ in English and Maths as well as 5 good GCSEs*

Complete the application form on our website (link above). We will contact applicants for a short interview before offering places.

There is no deadline – these spaces will be offered to the first successful applicants! You need to be organised.

**For students who do not achieve the required entry requirements, we offer a T-Level Transition year to give the chance of continuing over 3 years or our alternative range of qualifications.*
