

T-Level Recruitment Opportunity

Thomas Telford University Technical College and **St. Modwen Homes** are delighted to offer **two** positions on the Design, Surveying and Planning for Construction T-Level, beginning in September 2022.

You can find out more about our T-Level at <http://thomastelfordutc.com/page/tlevels>

About Thomas Telford UTC

This state-of-the-art school aims to create the innovators, designers, architects and construction professionals and technical fields.

Thomas Telford UTC has been established to provide the young people of Wolverhampton and the surrounding areas a unique combination of excellence academic achievement and first-class preparation for their future.

About St. Modwen Homes

The world is evolving fast and so are St. Modwen Homes. They build flexible and adaptable homes which enable you to work from home, invite friends and family for overnight stays and have enough space to store everything a growing family could need. To help future-proof Their homes, ensure that less maintenance is needed and your bills are lower, they focus on building homes that include the very latest technology and connectivity. They also use the latest materials and construction methods to ensure that we are always one step ahead. "At St. Modwen Homes, we're committed to biodiversity and protecting our native species. Whether it's going the extra mile to preserve and improve existing natural habitats on our developments or by including special biodiversity features in our properties, we do all we can to ensure that local wildlife isn't impacted by the homes we build."

The Roles

You will undertake study with Thomas Telford UTC in September 2022 as a full-time student. During your 2-year course, you will undertake 350 hours of meaningful placement with St. Modwen Homes as a Construction Management Trainee, based at the former Good Year site in Wolverhampton. During your placement you will be expected to shadow, contribute and otherwise be a full member of the St. Modwen team. Your experience will include Project management, Site Management, Health and Safety, Stakeholder Engagement, Quality Control, Estimating, Quantity Surveying and more - this is your chance to impress!

Industry Placement roles are not paid roles and you will need to be able to travel to the location of the site. Where necessary support may be available with associated travel costs.

How to Apply

You need to achieve Grade 4+ in English and Maths as well as 5 good GCSEs*

Complete the application form on our website (link above). We will contact applicants for a short interview before offering places.

There is no deadline – these spaces will be offered to the first successful applicants! You need to be organised.

**For students who do not achieve the required entry requirements, we offer a T-Level Transition year to give the chance of continuing over 3 years or our alternative range of qualifications.*
